To all our friends and neighbors,

I am honored to introduce you to Sara Jane Allen, candidate for NM State Rep District 31. Sara Jane has been a dedicated mother, a business person, and a fighter for New Mexico. Sara Jane cares about family values, education, job training programs, and most of all she is not afraid to take on the trial attorneys and be tough on crime. Sara Jane has been an advocate for children protested APS and fought for our children's education during COVID.

Sara Jane truly cares for our State, and she will be an excellent candidate for our community and will fight to make Albuquerque a better place.

As an owner of a small business, I know I can rely on Sara Jane to look out for our interests. Please join me in supporting Sara Jane Allen for District 31.
